

WANTS WILSON TO ASK STAY FOR CASEMENT

Marine Introduces Senate Bill Requesting President to Intercede for Condemned Leader.

WASHINGTON, June 29.—A resolution requesting the President to ask the British Government for a stay of the execution of Mr. Roger Casement, the Irish leader convicted of treason yesterday in London, pending presentation of new facts, was introduced

In the Senate to-day by Senator Martin of New Jersey.
"I protest," said Senator Martin, "that this is a good way from the point of view of justice to have the public opinion of the world over and I simply request that the President take this case under advisement as I am sure due regard to justice has been ignored."

Senator Martin introduced the resolution at the request of Mr. Agnew, New York, who yesterday from New York sent a memorandum to the House on an incident with President Wilson, but he was leaving the House early and could not see his fellow member, Senator Martin, James and Oberman.

GERMANS GAIN FRENCH FORT ONLY TO LOSE IT AGAIN

At about 4 o'clock in the morning a powerful explosion struck on the left bank of the river Meuse, near Verdun, sending masses of earth and stone flying.

"On the right bank of the river the bombardment has been very spirited in the sectors to the north of Mouville and Tavaux, particularly in the region of Chateau. There was an intense fight there this morning."

BERLIN, June 30.—*See London.*

Attacks by the British and French at various places along the western front yesterday and last night were repulsed by German troops, the War Office announced to-day.

TERRIFIC FIGHTING IN THE VERDUN SECTOR EAST OF HILL 304.

PARIS, June 30.—In a terrific attack upon the French positions east of Hill 304 in the Verdun sector, the Germans captured a fortified work to the rear line of the French trenches after the garrison had been literally buried under a storm of shells. The position was recaptured by a brilliant French counter attack, according to an official statement issued by the French War Office to-day.

The Germans also delivered a powerful attack on the French positions in Avesnes Wood and west of Hill 304, but all their efforts are declared to have been checked with heavy losses to the attackers. Considerable activity is reported on the front from Neuport to the Aisne.

The text of the communication follows:

"In Belgium last night at about 11 o'clock, following a preparatory artillery fire, German forces attacked a salient of our line not far from the road between Neuport and Lombartzye. A counter attack was at once delivered, which drove the enemy out of one section of trench between Chaudies and Roys, where they had gained a footing. A strong German reconnoitering party, caught under our fire, was dispersed before it could reach our trenches.

"Between the Oise and the Aisne two other German patrols also were dispersed in like manner, one in front of Quennoyieres and the other at a point to the northeast of Vingre. In the Champagne district a minor attack of the enemy with hand grenades upon our advanced posts to the west of Butte de Mezill was easily repulsed.

"On the left bank of the River Meuse the Germans last night increased their offensive activity against our positions, stretching from Avesnes Wood to a point to the east of Hill No. 304. They directed upon the principal salients of our line a series of very violent attacks. These were preceded by intense bombardments and accompanied by the throwing of flaming liquids. Between Avesnes Wood and Hill No. 304 all their endeavors were broken by our fire, which inflicted heavy losses upon them.

"To the east of Hill No. 304, after several fruitless assaults the enemy succeeded in taking possession of fortified work in our first line, the garrison of which had been literally buried by the German bombardment.

Virtually the whole of Kropatkin's front is under bombardment. German raiding parties have been harassing the Russian lines for forty-eight hours.

Interest is divided between the German operations in the north and the Russian advance on Kolomea in northeastern Galicia. Unofficial reports today placed the Russian lines within less than ten miles of Kolomea, which is of great strategic importance because of its position as a railway centre.

BERLIN, June 30.—The Russians made fruitless counter-attacks southeast of Winiewka, in the region west

of Kolomea.

The German advance on Kolomea has captured the important Galician city of Kolomea.

PHOTOGRAPHED, June 30.—Russian

CAKE OF EVERLASTING ICE BEST GIFT FOR A SOLDIER

Gen. Parker Stumped by Offer of Rich New Yorker Who Wants to Make Presents.

Special From a Staff Correspondent of The Evening World.

BROWNSVILLE, Pa., June 30.—William H. McLeod, clerk of the Greene County Circuit Court and prominent in Republican local politics, business and social affairs, is thought to have been murdered on a lonely road in lower Greene County last night by a strange man whom he is presumed to have been giving a ride in his automobile. The body has not been found and is supposed to have been thrown into the river.

The car was found in the roadside

near McLeod's farm, which had been visited to the spot by the murderer.

The parson told Hunsley that a man with whom he was riding lost control of his automobile and jumped into the river. McLeod's coat, cap, collar and cravat and a bunch of keys were in the bottom of the car. The stranger disappeared shortly after reaching the car with Hunsley.

The most acceptable present from the philanthropic New Yorker would be an individual cake of everlasting ice, which could be carried in a soldier's trouser pocket or hat.
